LEADERSHIP
through Excellence

ROTARY CLUB OF AURANGABAD WEST

Editorial

Fellow Rotarians,

Rotary is a platform through which one can work for global community, World Peace & Understanding. This is possible only when you can give your whole hearted participation to the Rotary activities.

When we truly Engage Rotary we can definitely change Lives.

This year I am trying to involve clubs around the Glob to be the part of club bulletin.

Thanks to Rtn. Eli Arad, Rtn. Sadiq Chagani, DGN Ruzhdi Bakalli, Rtn. Dragomir Lazarov & Rtn. Maria Bauer for their valuable support and contribution to July months bulletin.

I wish to have wonderful Rotary year ahead.

From The PRESIDENT'S PEN

Dear Fellow Rotarians,

It's my privilege to step into Presidents' shoes of our Club which has marked its presence in District 3132 as the "most young & vibrant" club. The glory fetched by our past presidents and teams has set a benchmark for the years to come.

I take this opportunity to personally congratulate Rtn. Dr. Rupali, Rtn. CA Aniruddha and Rtn. Hemant for setting up highest standards of their respective portfolios during year 2012-13. I also acknowledge the team members: Board of Directors and Committee Chairmen who have accepted responsibilities for this new year.

We have our DG Rtn. Dr.

Prafulla Mirajgaonkar and his District administration team as a great resource in our own city to guide, promote, and navigate our activities. We must take fullest advantage of this opportunity.

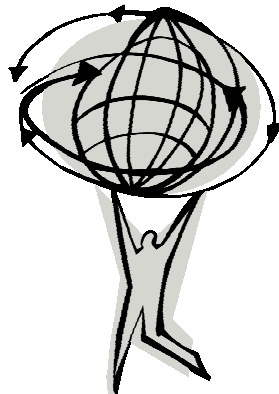

I felt this is extremely important to let you know the happenings and guidelines given at Rotary International level on how the Rotary Club should function with effect from Year 2013-14.

We as well as District Team are fortunate and equally challenged to implement these new guidelines from this year of Club Presidents.

Following are the brief highlights:

- Rotary International has recommended three major heads to implement and function Rotary
 - **CLUB LEADERSHIP PLANNING (CLP)**
 - **STRATEGIC PLANNING**
 - **FUTURE VISION PLANNING (FVP)**
 - Concept of "**Effective Club**". The criteria for the same are
 - **Sustain & increase membership.**
 - **Implement Successful, Long term, Bigger-Better- Bolder Community Service projects.**
 - **Support Rotary Foundation.**

Wear Your Pin Proudly!

**Rtn. Eli Arad PP MPHF
DGSC, Club PR Officer
RC of Beit Dagan
District 2490, Israel**

Guest Editor—Sister Club—Rtn. Eli Arad

Dear readers,

It is a great honor for me and to my Club, RC of Beit Dagan from District 2490, Israel to serve as guest editor to Skyline.

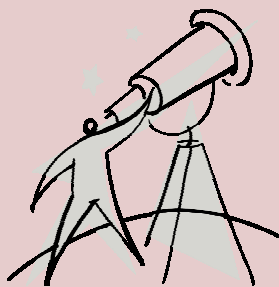

RC Aurangabad West is our only sister club. (Interesting thing: in Hebrew, a club is male, so in Hebrew we call Aurangabad West our brother club).

We are very proud that we took small part in your project of beds for the juvenile detention house. This is one small sample of the things that sister clubs can do together.

At this time our Club is involved in two Matching Grants in India: One is with RC Gandevi, Gujarat to provide educational materials, blankets, towels, books and other utensils to tribal children of residential schools and the second is with Todd Lindley from ROTI (Rotarians On The Internet) providing hearing aids to 150 poor children from Tamil Nadu. I'm myself the DGSC (District Grants Subcommittee) of our District and we are moving next Rotary year to the new Grants model known as Future Vision.

Our club counts 30 members, and is known in our District for its fellowship and vibrant, although most of our members are retired.

To end my role of guest editor I would like to thank RC Aurangabad West for the invitation to serve as guest editor and to my friend Sanjay Kulkarni. I also want to send a greetings to all the members of the sister club of Aurangabad West and to their families.

President's Pen

Continued from Page 1 ...

- Develop Leaders beyond Club Level.
- 3. Guidelines for New membership recommended to **increase "Young", Women membership:**
 - 70% members below age of 40 years.
 - 30% Women membership.
- 4. Thrust on only **Long term-Sustainable service projects for the society** is essential so as to create Rotary image in our society to attract membership. The issue here is that, Rotary is not recognized in our region for its community service projects which are on large scale and established on long term basis-successfully.
- 5. We need to derive and

implement **Long Range Goal and Annual Goals for next three years** which are **Shared, Measurable, Challenging, Achievable & Time specific.**

This is to be done jointly with next three years Presidents nominated and follow during their tenures. Only then a long term, bigger, sustainable project will be successful. That is why the concept of **"Future Vision Planning"** has come in and the next three Presidents are called **"Future Vision Presidents"**

- 6. The Structure of Club's Board and committees also revised as follows:

Apart from President, VP, IPP, Secretary, Treasurer, Pres. Elect, Sergeant, following **Directors** will have their own committees:

- **Club Administration**
- **Club Public Relations**
- **Club Membership**
- **Club Rotary Foundation**
- **Club Service Projects:** This has become single, comprehensive, very large & powerful portfolio which includes: Vocational, Community, International & New Generation avenues.

I think, this glimpse will give you a clear picture on broad terms, how we will be going ahead for the incoming years in Rotary.

I wish all of us as a strong team together to make it a noticeable difference & acknowledgment from society!!

Best regards.
Rtn. Ajit Vaishnav

Why I am Rotarian—Sister Club—Rtn. Sadiq Chagani

Rotary, has been the cradle of my rebirth.

And my soul is at home with Rotary.

Rotary cares for the world's children and my heart has a soft corner for children.

Rotary has always honored its elders; my head is bowed in respect

When Rotary mourns for the victims of this world, my hands are joined in prayers and When Rotary celebrates its Triumphs my

hands spreads its wings with cheers.

For the work we do takes my breath away, And my hope for the future gets brighter

When Rotarians greet me as family, they teach me the meaning of community.

While our Foundation brings the world closer to, Peace, Understanding and a polio free world my blood pulses to its rhythm and I become the essence of it.

When the stories of Rotary echo round the fire My feet walk in its pathways and I become the footprints of its history Because it is imprinted upon my heart and written in my soul Because we will lead the world into tomorrow And I recognize the gifts Rotary has given me as Sacred.

That is why I feel my soul is at home with Rotary.

About myself—Sister Club - DGN Ruzhdi Bakalli

Ruzhdi Bakalli, President of PCED Inc. in Warren, PA, a Non Profit Economic Development Organization, was born in Gjakova, Republic of Kosova.

Education

Ruzhdi earned a BS in Mechanical Engineering from the University of Prishtina, Kosova and was a Fulbright Scholar, Graduate Studies – Mechanical Engineering Department at The Ohio State University.

Work

Ruzhdi held a number of positions in Kosova including Teaching Assistant at the University of Prishtina, President and CEO of the City District Heating Plant in Gjakova, President and CEO of "ELAST" a rubber manufacturing plant in Gjakova. Ruzhdi served as a Member of Parliament of Kosova from 1989-92 and was one of the founders of The Declaration of Independence of Kosova in 1990. In 1994 he came to Warren, PA to be the Plant Project Director and Vice President of SPEDD, Inc., an economic development company. In 2000 he became President of BVK, Inc. of Warren, PA.

Family

He has great support from his family, especially from his wife Afijete, who also is a member of Rotary Club of Warren and PH+1. This example proves again the famous saying "behind a successful man always is a great wife"! Ruzhdi and Afijete Bakalli have three children; two daughters and one son.

He is the Founder of Rotary club Gjakova in the youngest country in the world, the Republic of Kosova.

He also has served as President of the Rotary Club Warren, PA, USA.

USA**

Recipe—sister club— Rtn. Dragomir Lazarov

Traditional Bulgarian yogurt cold soup

Ingredients

- 1 long cucumber, chopped or grated (we prefer it peeled)
- 1 garlic clove, minced or smashed
- 3 teaspoons olive oil
- 4 cups yoghurt
- 1 cup water
- 1 teaspoon salt (we like it saltier)
- 1 tablespoon dill, finely chopped
- 4 big pecans, well crushed

Preparation

Put all those together and mix well. When ready garnish with olive oil (or other favorite oil). Best when chilled.

Hint: Try it with no dills and pecans - Bulgarian restaurants favorite.

About Tarator

Tarator is a cold summer soup made of yogurt and cucumbers. It is served chilled. Local variations may replace yogurt with water and vinegar, omit nuts or dill, or add bread. The cucumbers may on rare occasions be replaced with lettuce or carrots.

RI District 2482 Bulgaria

Why I am Rotarian - IPP Rtn. Dr. Rupali Ashtaputre

I am a Rotarian by the grace of God. I have received so much from the society that I feel constantly obliged to give something back in return.

Through Rotary, I have discovered the avenue to discharge this obligation on a continuous and satisfying way. I have discovered a goal, which is worth more than life itself. That goal is to contribute significantly to the creation of something good and permanently useful to people; that something should be a beacon of inspiration for those travelers who will come after me on my life's travel-road.

Through Rotary I also became more involved with service to the less fortunate in my community. After becoming Rotarian my circle of Rotary friends then extended far beyond my community to communities throughout the country and eventually the world.

My greatest joy as a Rotarian has been to see the smiles on the faces of those that we have been able to help in some way - big or small.

Thanks to Rotary for providing me a different World.

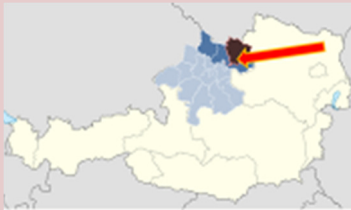

FOUR-WAY-TEST

- 1 Is it the **TRUTH**?
- 2 Is it **FAIR TO ALL CONCERNED**?
- 3 Will it build **GOODWILL AND BETTER FRIENDSHIPS**?
- 4 Will it be **BENEFICIAL TO ALL CONCERNED**?

MUEHLVIERTEL

PREGARTEN

HAGENBERG

Tourism-sister club- Rtn. Maria Rosina Bauer

Where is the Rotary Club Aisttal Hagenberg located?

Country: Austria (light yellow) Federal State: Upper Austria (light blue)
 Region: Mühlviertel (dark blue) District: Freistadt (brown)
 Main location for the RC: Hagenberg, Pregarten, Wartberg, etc. (arrowhead)

Mühlviertel:

Located North of the Upper Austrian capital Linz, the Mühlviertler Kernland region invites you to spend recreational and adventurous holidays all year round. It's the pure way of life in the 16 municipalities that characterises the region between Danube and Moldau. With family, friends or alone: A holiday here is always fun!

Mühlviertel convinces with its beautiful and gentle landscapes, which are characterised by gently hills and granite, as well as with its unique cultural heritage, Renaissance, Gothic or Baroque: With in a small area you will find various architectural styles in the region's valleys and cities.

Hagenberg:

Hagenberg valley is often called Mühlviertel's own "Silicon Valley" and has established a world-wide reputation. The University Linz's RISC research institute is located in the old castle of the 1,000 year old castle.

The software park's core can be found in the former steward's yard. 25 companies, eight research institutes, two colleges with new degree courses and a secondary school are located here. The municipal administration, a restaurant and the event centre are also located in the castle.

Hagenberg software Park

Economy – research – education: these key subjects build a perfect symbiosis in Austria's most innovative technology centre. The software park serves as a regional and international hub for software businesses, software research and software education. Hagenberg offers you as a guest much more than technology and research.

Pregarten:

Visit one of the oldest markets in Upper Austria, where already in the 14th century active trading took place. Today Pregarten in Mühlviertler Kernland is a young town with great nature and culture offers, which you can enjoy with your family or friends.

Probably the oldest and most popular building is the "Bäckenhaus", where today the local museum is located; the Bruckmühle mill, which was constructed according to the neo-Gothic style and the St. Anna church.

Visit Pregarten – the town on the river

Pregarten is the perfect starting point for many hikes along the Feldaist. Short or long – the Feldaist system will help you with sign-posts along the way. Hike up the river in direction Kefermarkt. You will pass beautiful natural spectacles, the Pechölstein, a gigantic rocket and historic buildings like the Kumpfmühle mill. Down the river you will find mills and mystic virtuous places. The way will lead you to Wartberg in Kriehmühle, where fried trout is the local speciality.

Art and culture in Pregarten

The ambitious art and culture programme at the Bruckmühle culture centre will delight you. Various activities and productions by actors and artists take place throughout the year.

More than four hundred people have already visited the Brückmühle mill since 1999. This means that it is the most visited culture house in the country side.

The Reichenstein fortress ruin was first documented in 1230 and was enlarged or rebuilt by various Lords. Since 1989 the ruin has been restored and made public.

**He profits most
Who serves Best**

Rotary's first fiscal year began the day after the first convention ended. The convention of the Rotary Clubs of America was held in Rotary's birthplace, Chicago, in 1910.

Rotary Information Historic Moments: Why the Rotary year begins 1 July

Ever wonder why the Rotary year begins 1 July? The international convention initially played a key role in determining the start date of our fiscal and administrative year.

Rotary's first fiscal year began the day after the first convention ended, on 18 August 1910. The 1911-12 fiscal year also related to the convention, beginning with the first day of the 1911 convention on 21 August.

At its August 1912 meeting, the Board of Directors ordered an audit of the International Association of Rotary Clubs' finances. The auditors recommended that the organization end its fiscal year on 30 June to give the secretary and treasurer time to

prepare a financial statement for the convention and board, and determine the proper number of club delegates to the convention.

The executive committee concurred, and at its April 1913 meeting, designated 30 June as the end of the fiscal year. This also allowed for changes to the schedule for reporting club membership and payments. Even *The Rotarian* changed its volume numbering system to correspond to the fiscal year (beginning with vol. 5, July 1914).

Rotary continued to hold its annual conventions in July or August until 1917. Delegates to the 1916 event in Cincinnati, Ohio, USA, approved a resolution to hold

future conventions in June, mainly because of the heat in cities where most of them occurred. The next one was held 17-21 June in Atlanta, Georgia.

The term "Rotary year" has been used to signify Rotary's annual administrative period since at least 1913. An article in *The Rotarian* that July noted, "The Rotary year that is rapidly drawing to a close has been signaled by several highly successful joint meetings of Clubs that are so situated as to assemble together easily and conveniently."

Since the executive committee's decision in 1913, the end of the Rotary year has remained 30 June.

Khana Khajana - Ann Kirti Milind Mahajan

१००% घरगुती पिझा

सामग्री:

बेस साठी:

१ वाटी कणिक, १ वाटी मक्याचे पीठ, १ चमचा बेकिंग पावडर, १ चमचा मीठ, २ टेबलस्पून ऑलिव ऑइल, भिजवायला पाणी.

टॉपिंग साठी:

[एरेच्छक आणि आवडी प्रमाणे]

चीज, ऑलिव ऑइल, मिरपूड, लाल सुकलेली मिरची (क्रशड), मीठ, टोमॅटो केचप. सिमला मिरची, टोमॅटो च्या चकत्या, कांदा, लसणाचे काप, पनीर, मश्रूम, इ.इ.

पाककृती:

बेस साठी लागणारे सगळे साहित्य एकत्र करावे. साधारणपणे आलू पराठ्याची कणिक भिजवतो तसे भिजवून घ्यावे. आता टॉपिंगची तयारी करावी. टॉपिंगसाठी घेतलेल्या भाजीचे आपल्याला हव्या त्या आकाराचे / प्रकारचे तुकडे करून घ्यावे. तो पर्यंत पीठ भिजू द्यावे. हाताला थोडी कोरडे पिठ लावून कणकेचे, छोटे हवे असल्यास ४, मोठे हवे असल्यास २ गोळे करावे. हलक्या हाताने गोल आकारात लाटावे. या आकाराला तयार पराठ्या इतका थिकनेस असावा. सुरीने वरून ४-५ टोके द्यावेत म्हणजे अवनमधे फुगणार नाही. गोलाला वरून थोडेसे ऑलीव ऑइल चमच्याने लावावे आणि टेम्परेचर २५० ला सेट करून अवन मधे ३ ते ४ मिनिट ठेवावे.

४ मिनिटांनी बाहेर काढून बेसला टोमॅटो केचप, ऑलिव ऑइल, लावून घ्यावे. आपल्या आवडी प्रमाणे टॉपिंग सजवून वरून मीठ, मिरपूड, मिरची पूड टाकावी. हवे असल्यास पुन्हा थोडे ऑलिव ऑइल टाकावे. चीज किंसावे. १५-२० मिनिट बेक करावे. चीज वितळले आणि बेस क्रिस्पी झाला, हे चेक करून बाहेर काढावे.
